

# **NEW SUPERYACHT: Holterman Shipyard goes X-TREME!**

**The renowned yacht builder Holterman Shipyard has released its latest revolutionary design: the 32-meter-long X-Treme X-105. The X-105 is a unique steel superyacht with an aluminium superstructure that holds a big 'beach' rear AFT deck and flybridge.**

The X-105 features the latest technical developments such as a wet launch system. This system is suitable for a RIB up to 10m and contains an integrated 5m long swimming pool with adjustable depth due to a movable bottom. The midship holds a garage with doors folded on either side. The garage offers plenty of space for multiple water toys such as two jet skis and a RIB up to 3.45m.

All essential technical systems are double-equipped for optimal reliability, such as: bow thrusters, stern thrusters, stabilizers and watermakers. The two steerable nozzles do not only make the ship silent, but also makes the ship more manoeuvrable.

The outdoor deck flows seamlessly over in to the spacious salon with a well-equipped and grand galley. That same level holds the owner's quarters with ensuite sanitary facilities. On the lower deck, the 4 double guest bedrooms are accommodated with ensuite sanitary facilities as well. This deck also holds the crew area with two double cabins, of which one with bunk beds.

The wheelhouse has an open connection to the salon and is located above the owner's cabin.

The robust exterior and stylish interior make for an exclusive experience suitable for a yacht of this calibre.

## Tech info

### **Measurements**

*Length: 32.65 meters*

*Width: 7.84 meters*

*Depth: 1.85 meters*

*Gross Tonnage: 198,5 ton*

*Build under: REG LYC Part A*

### **Volvo D16MH engines**

*2x 551/750 Kw/PK*

*Cruising speed: 10 kn.*

*Max. speed: 15 kn.*

*Range at cruising speed: 2400 nm.*

### **Tanks**

*19000 liter diesel*

*2100 liter water*

*2000 liter graywater*

*Designer: Bernd Weel*

*Naval architect: Diana Yacht Design*

*Interior design: Trimm Design*

***The expected delivery of the first X-105 is July 2021***
